Hey, I'll give anything a go!

I am a creative counselor.

I would much rather have a flexible schedule than a set routine.

I am an enthusiast, an expressive, an energizer.

The company of others brings out the best in me.

I am very good at finding the good in every situation.

I am a free spirit!

I've never been one to like a set schedule.

Let's just wing it!

Rehearsing feels so fake to me.

Being politically correct just isn't me.

If it's not fun, why do it?

You only live once!

I get energized when I am around people.
